Address: Martijn Luther Kinglaan , Diemen, Nederlands

About Me

My name is Md Tasnim Kabir and I am from Bangladesh. Currently , I am living in Amsterdam because of my higher education and I love to live in here .

I like to study in Information Technology. The reason because I like to think about logical stuff and also love to solve critical problems.

Apart from that I like to travel a lot and hanging out with my friends. Moreover , I like to cook in my free times and also I always try different cuisine.
